Zombie has always been a game about the most popular horror genre for many players around the world. It brings players into a fantasy world when the zombie pandemic erupted, causing humanity to stand on the brink of extinction - giving players a new experience from the heart-chasing thrilling, attractive scenes of the battle, alive with zombies gore, horror. But with this game itself will give players a whole new gaming experience when you are satisfied with the feeling of being carried weapons to shoot down all these zombies, you can introduce to Stupid Zombies 3 – produced by game publisher GameResort, which is known through the game genre of shooting action or adventure versions stored on both operating systems iOS and Android. Ever since Stupid Zombies 3 was released, it has received many positive comments from game critics when this game has many advantages over the previous two parts of eye-catching graphic design. . attractive gameplay and especially the appearance of new characters. So what are you waiting for but do not try to download immediately Stupid Zombies 3 to lose yourself in a war to claim life for humanity? HISTORY The human world is now more dangerous than ever, around the city, there is no longer a single person, but only dangerous zombies. They wander the broken streets, looking for leftovers to feed the brain and become their fellow human beings. So that the person will play three characters who are a handsome guy, a sexy girl, a woman will go as sweeping all zombies in many different countries invade the world. GAMEPLAY For those of you who have played through the previous two versions of this game, you will find it very simple, with each character that you use will have different weapons and their missions. Just destroy all zombies in accordance with the requirements of the given task. The more you kill, the more points you get. At the beginning of the game, the player will use one of the three characters according to the game's instructions and then carry the gun up to destroy the zombies that appear in each level. Players can play a guy with a shotgun, a hot girl using fire and an old woman using a homemade grenade gun that will help players complete all dangerous roads with zombies. The player must aim, calculate the reasonable path of the ball when it hits the wall surfaces and destroys many zombies standing in line in just one shot. After each the number of these zombies will increase more after the player has defeated zombies in the previous turn. Players can take advantage of the surrounding elements such as wooden barrels, explosive barrels, tires or anything found in each game screen. Thanks to the diversity of standing positions of these zombies as well as terrain layout or surrounding elements will play a critical role in the completion or failure of the player. This will provide many challenges for players and also an opportunity to improve their skills. The condition for getting through the game screen is that the player must kill the right amount of zombies depending on the game screen, including female zombies, male zombies and fast zombies. Players can freely drop out bullets continuously in order to collect points and race top with friends or other players. When you're done, the game screen will be calculated on a 3-star scale, depending on the number of zombies you kill. GRAPHICS Stupid Zombies 3 carries a graphical style that is very eye-catching compared to the previous two games in this series when the developer has relied on it to upgrade, invest more thoroughly. Indigously, there are efforts to create more than 100 different levels, stretching from the outskirts to the bustling city of zombies to challenge the player's ability. Images of the characters are designed in a direction that is quite cool as well as zombies look more eye-catching, more beautiful than the old two parts. EFFECTS AND SOUNDS The point that caught the attention of the player is the effect of shooting through zombies in the game is very interesting, with bullets bouncing back to the wall surfaces as well as fire effects create. The chain effect is continuously designed to kill zombies quickly and satisfy all players. The sound of the game is carefully invested when using terrifying music, the sound of the breath of zombies or the sound of bullets coming out and attaching the heads to zombies. Thus, you will see the stars on the latest part of this game. Download Stupid Zombies 3 now to have an exciting experience when you get up to save the world in this chaotic world.
